# ABOUT YOUR PROJECT

**[If you are submitting a video or audio application you do not need to complete this section]**

Name of project

Brief description of project (max 200 words)

*What would you like to do, how will you do it and why is it important?*

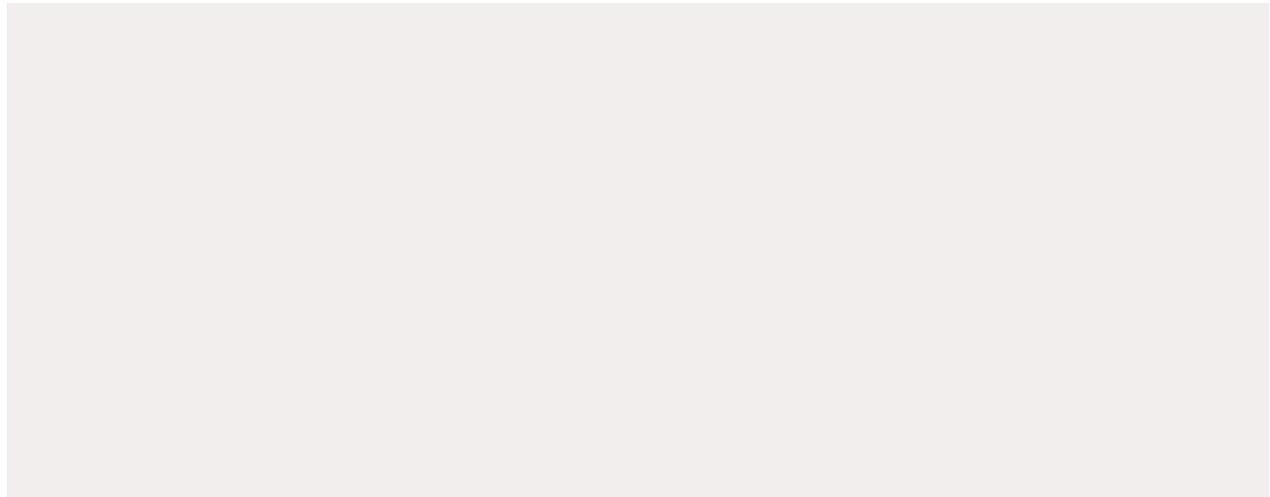

Is your project targeted at a particular group?

YES / NO

If "yes", which group?

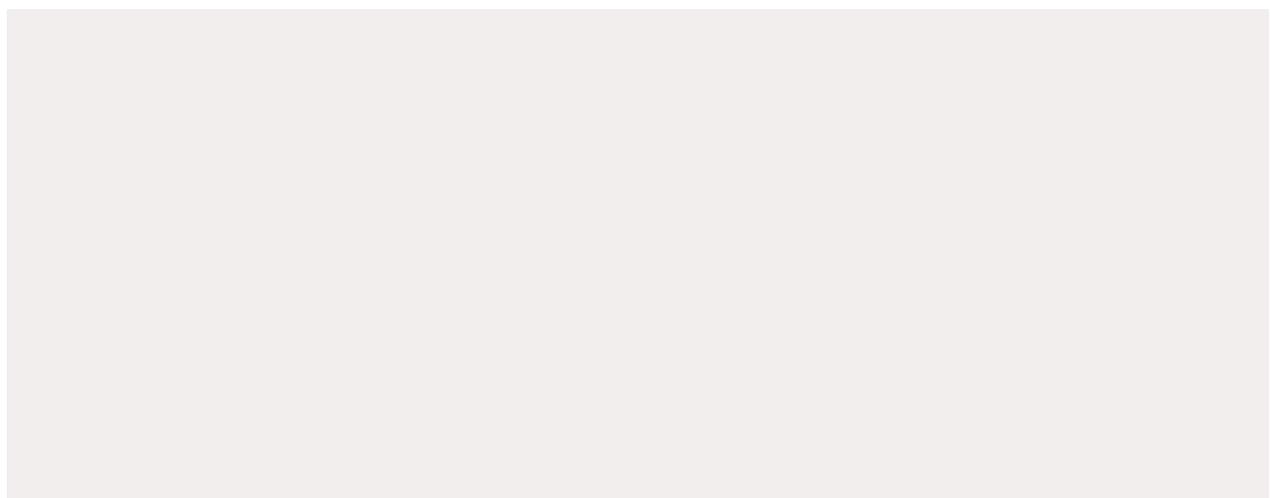

Who will take part in this project?

*We believe that it is those within communities who know what they need. We'd love to know how people with lived experience have been, and will be, involved in your project.*

How did you identify the need?

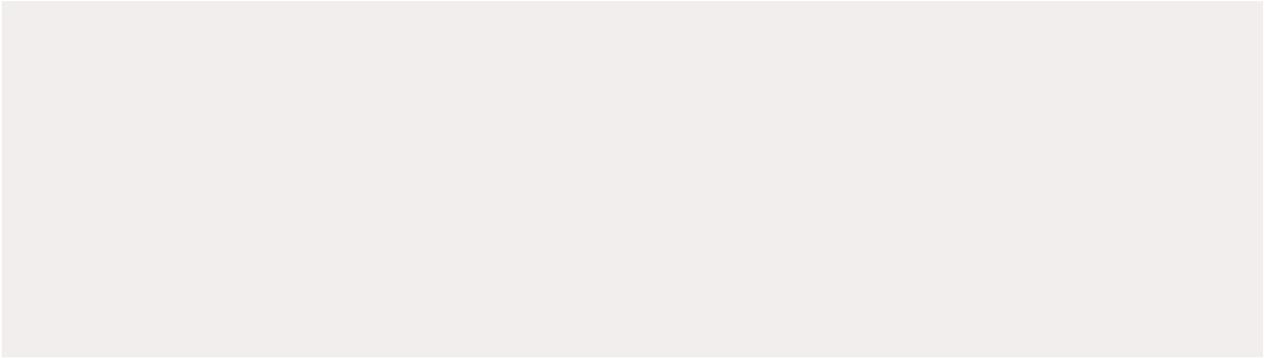

What do you think is the most pressing issue in the homelessness sector? How does your project aim to address this?

Outline the main activities and outcomes of your project.

*If you are a social enterprise, please note we do not offer funding for salaries. Please provide a breakdown of activities within your project and the desired outcome of each. For example, "activity: run workshops with different community members, outcome: increase social cohesion"*

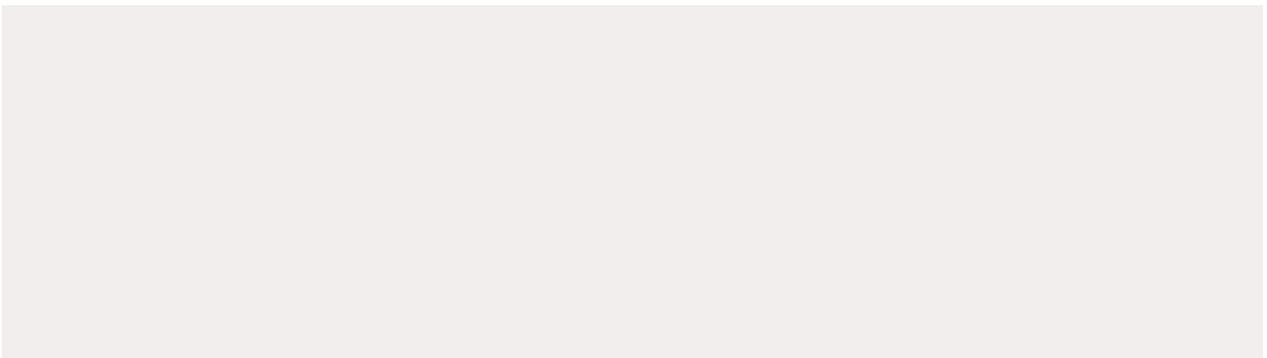

**What external benefits will your work have (e.g. to other community groups, to national policy etc)?**

**Who (if any) will be your collaborators/partners in delivering this work?**

**How does your work align with the Isla Foundation's priorities?**

*Please refer to our "Values" page on the website.*

How will you monitor and evaluate the success of the project?

Do you require additional support with reporting?

YES / NO

*We realise this may be harder for smaller organisations. We aim to support our partners with monitoring and reporting if these resources are not currently available to them.*

If you are applying on behalf of another individual or organisation, please confirm you will be responsible for the grant and reporting back to Isla Foundation on how the funds have been used
